**JUSTIFY YOUR ABSENCE**

Being 12:00 h. On December 28, 2018, the above-mentioned ones meet in Ordinary session of the SMARTWATIR Operating Group (GO) to discuss the following Agenda:

1.- SUBJECT 1.

The objectives of the Project were reviewed and agreed.

2.- SUBJECT 2.

Future meetings and workshops have been proposed and commented for July 2019, coinciding with the AI2SD congress.

3.- SUBJECT 3.

It has been revised that the crop to be treated would be that of lemons and oranges.

4.- SUBJECT 4.

The need to establish a common framework on the storage platform and data processing has been discussed.

5.- SUBJECT 5.

No objection on the achievement of the objectives.
